the Judge may, after declaring the election of the returned candidate void, declare the petitioner or such other candidate to have been duly elected:

Provided that —

(i) for the purpose of such computation, no vote shall be reckoned as valid if the Judge finds that any corrupt practice was committed by any person known or unknown in giving or obtaining it;

(ii) after such computation, if any equality of vote is found to exist between any candidates and the addition of one vote would entitle any of the candidates to be declared elected, one additional vote shall be added to the total number of valid votes found to have been recorded in favour of the candidate, selected by lot drawn in the presence of the Judge in such manner as he may determine.

(11) Where any charge is made in the petition of any corrupt practice, the Judge shall make an order recording the names of all persons including any candidates, if any, who have been proved at the trial to have been guilty of any corrupt practice and the nature of that practice and may disqualify any such person for becoming a Councillor or a Councillor or member of any other local authority for such period not exceeding six years but not

(12) If the Judge sets aside the election of a candidate on the ground that a corrupt practice has been committed by the returned candidate or his election agent or by any other person with the consent of the candidate or his election agent and if such candidate's name has not been included in any order made under sub-section (11), the Judge shall declare such candidate disqualified for becoming a Councillor or a Councillor or member of any other local authority for such period not exceeding six years but not less than two years from the date of the order, as the Judge may specify in the order.

(13) The Judge may also make an order fixing the total amount of costs payable and specifying the person by and to whom costs shall be paid. Such costs shall be recoverable as if they had been awarded in a suit under the Code of Civil Procedure, 1908.

(2) In the event of the death of any person primarily liable as aforesaid, the person to whom the title of the deceased shall be transferred as heir or otherwise shall give notice of such transfer to the Chief Officer within one year from the death of the deceased.

(3) If the person liable to give the notice referred to in sub-section (1) or sub-section (2) fails to

give such notice, he shall, on conviction, be punished with fine which may extend to fifty rupees.

126. Form of notice. — (1) The notice to be given under the last preceding section shall be in the form of Schedule II or Schedule III, as the case may be, and shall state clearly and correctly all the particulars required by the said form.

(2) On receipt of any such notice, the Chief Officer may, if he thinks it necessary, require the production of the instrument of transfer, if any, or a copy thereof obtained under section 57 of the Indian Registration Act, 1908.

XVI of 1908.

127. In absence of notice, liability to taxes to continue on original holder. — (1) Every person primarily liable for the payment of a tax on buildings or lands or both who transfers his title to or over such building or land or both without giving notice of such transfer to the Chief Officer as aforesaid shall, in addition to any other liability which he incurs through such neglect, continue to be liable for the payment of the said tax on the building or land or both until he gives such notice, or until the transfer shall have been recorded by the Council.

(2) But nothing in this section shall be held to diminish the liability of the transferee for the said tax or to affect the prior claim of the Council on the said building and land conferred by section 157, for the recovery of the tax on the land or building or both.

128. Power to fix special rate in lieu of special sanitary tax. — Where a Council has made provision for the cleansing of any factory, hotel or club or any group of buildings or lands used for any one purpose and under one management, it may, instead of levying in respect thereof any special sanitary tax imposed under this Chapter, fix a special rate and the dates and other conditions for periodical payments thereof; such rate, dates and conditions shall be determined either —

(a) in accordance with the bye-laws for the time being in force; or

(b) by written agreement with the person who would have been otherwise liable for the tax, provided that in fixing the amount of such rate proper regard shall be had to the probable cost to the Council of the service to be rendered.

129. Recovery of sums claimed under the last two preceding sections. — Every sum claimed by a Council as due under any of the provisions contained in section 128 shall be deemed to be an amount claimed on account of a tax and shall be recoverable in the same manner as an amount of a tax is recoverable under this Act.

130. Council may sell surplus water for use outside municipal area. — A Council may contract with any person or department to supply for use beyond the municipal area any quantity of water belonging to it but not required by it, at such rates and on such conditions as it may think fit:

Provided that such rate shall be in no case lower than the rate chargeable for water supplied for similar purposes within the municipal area.

(3) *Octroi and tolls.*

131. Octroi limits. — For the purposes of this Act, unless the Council otherwise determines by making the necessary bye-laws, the octroi limits of the Council shall be deemed to be co-terminous with the limits of the municipal area.

132. Power to examine articles liable to octroi. —

(1) A person bringing into or receiving from beyond the octroi limits of a Council any animal or goods on which octroi is payable shall, when required by an officer authorised in this behalf by the Chief Officer and so far as may be necessary for ascertaining the amount of tax chargeable, —

(a) permit that officer to inspect, examine, weigh and otherwise deal with such animal or goods;

(b) communicate to that officer any information and exhibit to him any bill, invoice or document of a like nature, which he may possess relating to such animal or goods; and

(c) make a declaration in writing to that officer regarding the correctness and accuracy of the document shown to him.

(2) If any person bringing into or receiving from beyond the octroi limits of a Council in which octroi is leviable, any conveyance or package, refuses on demand of an officer authorised by the Chief Officer in this behalf, to permit the officer to inspect the contents of the conveyance or package for the purpose of ascertaining whether it contains anything in respect of which octroi is payable, the officer may cause the conveyance or package to be taken without unnecessary delay before such Executive Magistrate as the Government appoints in this behalf by name or office, who shall cause the inspection to be made in his presence.

133. Presentation of bills for octroi. — An officer demanding octroi by the authority of the Council shall tender to every person introducing or receiving anything on which the tax is claimed, a bill specifying the animal or goods taxable, the amount claimed, and the rate at which the tax is calculated.

134. Penalty for evasion of octroi. — Where any animal or goods passing into a municipal area are liable to the payment of octroi, any person who, with the intention of defrauding the Council, causes or abets the introduction of or himself introduces or attempts to introduce within the octroi limits of the Council any such animal or goods upon which payment of the octroi due on such introduction has neither been made nor tendered, shall, on conviction, be punished with fine which may extend to ten times the amount of such octroi or to two hundred rupees, whichever may be greater.

135. Tables of tolls to be shown on demand. — A Council imposing any toll under this Act shall cause to be kept at each place where such toll is to be collected, a table showing the amounts leviable in all cases provided for in the bye-laws including the terms, if any, on which the liability to pay such tolls may be compounded by periodical payments; and it shall be the duty of every person authorised to demand payment of a toll, to show such table on the request of any person from whom such demand is made.

136. Power to seize vehicle or animal or goods for non-payment of octroi or toll and to dispose of seized property.—(1) In the case of non-payment on demand of any octroi or of any toll leviable by a Council, any person appointed to collect such octroi or toll may seize any animal or goods on which octroi is chargeable, or any vehicle or animal on which the toll is chargeable, or any part of the burden of such vehicle or animal which is of sufficient value to satisfy the demand, and may detain the same. He shall thereupon give the person in possession of the vehicle, animal or thing seized, a list of the property together with a written notice in the form of Schedule VI.

(2) When any property seized is subject to speedy decay, or when the expense of keeping it together with the amount of the octroi or toll chargeable is likely to exceed its value, the person seizing such property may inform the person in whose possession it was that it will be sold at once; and shall sell it or cause it to be sold accordingly unless the amount of octroi or toll demanded be forthwith paid.

(3) If at any time before a sale has begun, the person from whose possession the property has been seized, tenders at the municipal office the amount of all expenses incurred and of the octroi or toll payable, the Chief Officer shall forthwith deliver to him the property seized.

(4) If no such tender is made, the property seized may be sold, and the proceeds of such sale shall be applied in payment of such octroi, or toll, and the expenses incidental to the seizure, detention and sale.

(5) The surplus, if any, of the sale-proceeds shall be credited to the municipal fund, and may, on application made to the Chief Officer in writing within three years next after the sale, be paid to the person in whose possession the property was when seized, and if no such application is made, shall be the property of the Council.

137. Power to keep account current.—A Council, if it thinks fit, instead of requiring payment of octroi due from any person, mercantile firm or public body to be made at the time when the animals or goods in respect of which the octroi is leviable are introduced within its octroi limits, may at any time direct that an account-current shall be kept on behalf of the Council of the octroi so due from such person, firm or body. Such account shall be settled at intervals not exceeding one month, and such person, firm or public body shall give such information or details and make such deposit or furnish such security as the Council or any officer authorized by it in this behalf shall consider sufficient to cover the amount which may at any time be due from such person, firm or body in respect of such dues. Any amount so due at the expiry of any such interval shall, for the purposes of Chapter X be deemed to be, and shall be recoverable in the same manner as, an amount claimed on account of any tax recoverable under the said Chapter.

138. Joint collection of octroi by agreement how made.—Where any agreement such as is referred to in sub-section (2) of section 82 has been entered into, such one of the bodies entering into the agreement as by the terms thereof shall be specified in this behalf, shall have the same power to establish such octroi limits and octroi stations as that body

may deem necessary for the entire area in which the octroi is to be collected, and shall have the same power of collecting octroi on animals or goods or both brought within the limits so established, and the provisions of the Act under which that body is constituted relating to octroi shall apply in the same way as if the limits so established were wholly comprised within the area subject to the control of that body and the collections made and the costs, thereby incurred shall, subject to the provisions of section 82, be divided between the bodies entering into the agreement, in such proportions as shall have been determined in the agreement.

139. Farming of tools.—(1) It shall be lawful for a Council to lease by public auction the levy of any toll that may be imposed under this Act:

Provided that the lessee shall give security for the due fulfilment of the conditions of the lease.

(2) Where any toll has been leased under this section, any person employed by the lessee to collect such toll shall, subject to the conditions of the lease, exercise the powers and perform the duties conferred and imposed by sub-sections (1) and (2) of section 136 on a person appointed to collect a toll, and any property seized, shall be dealt with as if it has been seized under the provisions of that section:

Provided that no property seized may be sold except under the orders of the Chief Officer.

(4) Supplementary provisions regarding taxes.

140. Power to compound tax on vehicles or animals.—Where a Council has imposed a tax on vehicles (other than motor vehicles) or animals used for riding, draught or burden and kept for such use within the municipal area, it may compound with the keeper of any livery-stable or of horses or such vehicles kept for sale or hire, for the payment of a lump sum for any period not exceeding one year at a time, in lieu of any amount which such keeper would otherwise have been liable to pay on account of the tax imposed as aforesaid.

141. Assessment not invalid for defect of form.—No assessment and no charge or demand of any tax made under the authority of this Act shall be invalid by reason of any clerical error or other defect of form, and when any property is described for the purpose of assessing any such tax, it shall be sufficient to describe it so that it shall be generally known, and it shall not be necessary to name the owner or occupier thereof.

142. Power of Government to require Councils to impose taxes.—Where it appears to the Government that the balance of the municipal fund of a Council is insufficient for meeting any expenditure incurred under section 294 or for the performance of duties for the performance of which the Director had fixed a period under section 297, the Government may by notification require the Council to impose, within the municipal area, any tax specified in the notification which may be imposed under section 104 and which is not at the time imposed, within the said area or to enhance any existing tax in such manner or to such extent as the Government considers fit; and the Council shall forthwith proceed to impose or enhance in accordance with the requisition, such tax under the provisions of this Chapter as if a resolution of the

Council had been passed for the purpose under section 105.

(5) Fees

143. Fees may be charged for certain licences, permission, etc.—(1) When any licence is granted under this Act, or when permission is given thereunder for making any temporary erection or for putting up any projection, or for the temporary occupation of any public street or other land vested in the Council, the authority granting or giving such licence or permission may charge a reasonable fee for the same as determined by the bye-laws:

Provided that, when permission is given for putting up a projection, the authority giving such permission may charge every year a recurring fee until the projection is removed.

(2) The Council may charge a higher fee by way of penalty for any erection or projection, or for the use or occupation of any public street or other land vested in the Council, by any person without its permission or licence. Such fee shall be leviable irrespective of any other penalty or liability to which the person liable to pay the same may be subject under any other provisions of this Act or any other law for the time being in force.

The rates of such higher fees shall also be determined by the bye-laws.

CHAPTER X

Recovery of Municipal Claims

144. Mode of recovery of any money claimable under this Act.—All amounts on account of taxes, fees or penalties imposed or as may hereafter be imposed by or under this Act or rules or bye-laws made thereunder and all amounts on account of contract, auction, lease, or any money claimable under this Act or under the rules or bye-laws made thereunder shall, save as otherwise provided, be recoverable in the manner provided in this Chapter.

145. Presentation of bill for sums due to Council and discount for prompt payment.—(1) When any amount becomes due to the Council under this Act or the rules or bye-laws made thereunder, the Chief Officer shall, with the least practicable delay, cause to be presented to the person liable for the payment thereof, a bill for the sum claimed as due.

(2) Every such bill shall specify the period for which, and the property, occupation or thing in respect of which, the sum is claimed and shall also give notice of the liability incurred in default of payment and of the time within which an appeal may be preferred as hereinafter provided against such claim.

(3) If a person to whom such bill is presented pays, within fifteen days from the presentation thereof, the whole sum claimed as due, then a discount equal to one per cent of such sum shall be paid by the Council to him in such manner and within such period as may be prescribed.

146. When notice of demand issued.—If the person to whom a bill has been presented as provided under the last preceding section does not, within fifteen days from the presentation thereof, either—

(a) pay the sum claimed as due in the bill, or

(b) show cause to the satisfaction of the Chief Officer why he is not liable to pay the same, or

(c) prefer an appeal in accordance with the provisions of section 164 against the claim,

the Chief Officer may cause to be served upon the person liable for the payment of the said sum a notice of demand in the form of Schedule IV or to the like effect.

147. When warrant may issue.—If the person on whom a notice of demand has been served under the last preceding section, does not, within fifteen days from the service of such notice, pay the sum demanded in the notice, such sum with all costs of the recovery may be levied under a warrant signed by the Chief Officer in the form of Schedule V or to the like effect, by distress and sale of the movable or immovable property of the defaulter:

Provided that, where any measures precautionary or otherwise, have been taken in respect of any such property for the recovery of any sum claimed by the Government, any proceedings under this Chapter in respect of such property shall abate.

148. To whom warrant addressed.—(a) Where the property is in the municipal area, the warrant issued under the last preceding section shall be addressed to an officer of the Council;

(b) Where the property is in another municipal area, the warrant shall be addressed to the Chief Officer of that area;

(c) Where the property is in a Cantonment, the warrant shall be addressed to the Executive Officer of the Cantonment;

(d) Where the property is not within the limits of a municipal area or a Cantonment, the warrant shall be addressed to a Government Officer not lower in rank than a Mamlatdar:

Provided that such Chief Officer or Government Officer may endorse such warrant to a subordinate Officer.

149. Power of entry by force under special order.—It shall be lawful for any officer to whom a warrant issued under section 147 is addressed or endorsed, if the warrant contains a special order authorising him in this behalf, to break open at any time between sunrise and sunset any outer or inner door or window of a building, in order to make any distress directed in the warrant, if he has reasonable grounds for believing that such building contains property which is liable to seizure under the warrant and if after notifying his authority and purpose and duly demanding admittance he cannot otherwise obtain admittance:

Provided that such officer shall not enter or break open the door of any apartment appropriated for women until he has given three hours' notice of his intention and has given such women an opportunity to remove.

150. Warrant how to be executed.—It shall also be lawful for any such officer if authorized by the warrant to distrain, wherever it may be found, any movable property or attach any immovable property of the person named in the warrant issued under

section 147 as defaulter, subject to the following conditions, exceptions and exemptions, namely:—

(a) the following property shall not be distrained:—

(i) the necessary wearing apparel and bedding of the defaulter, his wife and children,

(ii) the tools of artisans,

(iii) when the defaulter is an agriculturist, his implements of husbandry and such cattle and seed-grain as may be necessary to enable the defaulter to earn his livelihood;

(b) the property distrained shall be as nearly as possible equal in value to the amount recoverable under the warrant; and if any property has been distrained which, in the opinion of the Chief Officer or the person to whom the warrant was addressed, should not have been so distrained, it shall forthwith be returned to the defaulter;

(c) the officer shall, on distraining or attaching the property, forthwith make an inventory thereof and give to the person in possession thereof at the time of distraint or attachment a written notice in the form of Schedule VI;

(ii) the order shall be proclaimed at some place on or adjacent to the property by beat of drum or other customary mode, and a copy of the order shall be fixed on a conspicuous part of the property and then upon the notice board of the municipal office and also, when the property is land paying revenue to the Government, in the office of the Collector of the district in which the land is situated;

(e) any transfer of or charge on the property attached or of any interest therein made without the written permission of the Chief Officer shall be void as against all claims of the Council enforceable under the attachment.

151. Sale of property distrained or attached; application of proceeds of sale.— (1) When the property seized is not subject to speedy and natural decay, the property distrained or attached, or in the case of immovable property a sufficient portion thereof, may, unless the warrant is suspended by the Chief Officer or the sum due by the defaulter together with all costs incidental to the notice, warrant, and distress or attachment and detention of the property, is paid, be, on the expiry of the time specified in the notice served by the officer executing the warrant, sold by public auction under the orders of the Chief Officer, and the proceeds or such part thereof as shall be requisite, shall be applied firstly in discharge of any sum due to the Government in respect of such property and secondly in discharge of the sum due and of all such incidental costs as aforesaid. Where the sum due to the Council together with the cost and a sum equal to five per cent., of the purchase-money for payment to the purchaser is paid by the defaulter, before the confirmation of the sale, the attachment, if any, of immovable property shall be deemed to have been removed and movable property

seized shall be returned to the defaulter. Sales of movable and immovable property under this section shall be held in the manner laid down in the rules framed in that behalf.

(2) After sale of the property by auction as aforesaid, the Chief Officer shall put the person declared to be the purchaser in possession of the same and shall grant him a certificate to the effect that he has purchased the property to which the certificate refers.

(3) It shall be lawful for the Council to offer a nominal bid in the case of any immovable property put up for auction, provided that the previous approval of the Director obtained to such bidding.

152. Surplus, if any, how dealt with.— The surplus, if any, remaining after the sale of property under the last preceding section, shall be forthwith credited to the municipal fund, notice of such credit being given at the same time to the person in whose possession the property was at the time of distraint or attachment; if such person claims the surplus by written application to the Chief Officer within three years from the date of the notice given under this section, the Chief Officer shall refund the surplus to such person. Any sum not claimed within three years from the date of such notice shall be the property of the Council.

153. Sale outside municipal area.— Where the warrant is addressed outside the municipal area under section 148, the Chief Officer may by endorsement direct the officer to whom the warrant is addressed to sell the property distrained or attached; in such case it shall be lawful for such officer to sell the property and to do all things incidental to the sale in accordance with the provisions of sections 150, 151 and 152 and to exercise the powers and perform the duties of the Chief Officer under sections 151 and 152, in respect of such sale except the power of suspending the warrant. Fees and costs chargeable.— Fees for every notice, issued under section 146, every warrant issued under section 147 or distress or attachment made under section 150 and the maintenance of any livestock seized under the said section shall be chargeable at the rates respectively specified in that behalf in the bye-laws of the Council and shall be included in the costs of recovery.

155. Summary proceedings may be taken against person about to leave municipal area.— (1) If the Chief Officer shall at any time have reason to believe that any person from whom any sum recoverable under the provisions of this Chapter is due or is about to become due, is about forthwith to remove from the municipal area, the Chief Officer may direct the immediate payment by such person of the sum so due or about to become due by him and cause a bill for the same to be presented to him.

(2) If, on presentation of such bill, the said person does not forthwith pay the sum due or about to become due by him, the amount shall be leviable by

distress and sale of the movable property or the attachment and sale of the immovable property of the defaulter in the manner hereinbefore prescribed, except that it shall not be necessary to serve upon the defaulter any notice of demand and the Chief Officer's warrant for distress and sale may be issued and executed without any delay.

156. Sales in other cases by whom to be ordered and the manner of making and confirming them. — The Government may make rules for prescribing such supplemental or incidental provisions as it deems fit for ordering and holding and confirming sales by public auction of any property or class of property distrained or attached under this Act.

157. Liability of lands, buildings, etc. for taxes. — All sums due on account of any tax on lands or buildings or both shall, subject to the prior payment of land-revenue, if any, due to the Government thereupon, be a first charge upon the building or land, in respect of which such tax is leviable and upon the movable property, if any, found within or upon such building or land, and belonging to any person liable for such tax:

Provided that no arrears of any such tax shall be recovered from any occupier who is not the owner if such arrears have been due for more than one year for a period during which such occupier was not in occupation.

158. Receipts to be given for all payments. — For all sums paid on account of any tax under this Act, a receipt stating the amount, and the tax on account of which it has been paid, shall be tendered by the person receiving such payments.

159. Certain amounts to be recovered as arrears of land revenue. — Where any amount referred to in section 144 has become due and cannot be recovered under the foregoing provisions of this Chapter by reason of the person liable for the payment thereof being outside the Union territory or his not having any or sufficient property in the Union territory, and such person has property outside the Union territory, then such amount shall be recoverable as an arrear of land revenue and the provisions of the Revenue Recovery Act 1890 or any other law in force in the Union territory in this behalf shall apply to the recovery thereof.

160. Stay orders on warrants by whom to be issued. — When a warrant is issued under section 147, no authority other than the Chief Officer who issued the warrant shall have the power to hold back the execution of the warrant:

Provided that the appellate authority to whom an appeal has been preferred under section 164 or the authority to whom a revision application is made under section 166, may issue a stay order if the circumstances of the case so demand, only after the appeal or application for revision is duly admitted, and after recording the reasons for making such order.

161. Interest payable on dues for taxes. — If a person on whom a notice of demand has been served under section 146 does not, within fifteen days from the service of such notice, pay the sum demanded in the notice, he shall be liable to pay by way of inte-

(a) one-half per cent. of the sum due for each complete month for the first six months, from the date of the expiry of the period of fifteen days aforesaid; and

(b) one per cent. of the sum due for each complete month thereafter, during the time he continues to make default in the payment of the sum due.

The amount of interest shall be recovered in the same manner as the sum due is recoverable:

Provided that the Chief Officer may, in such circumstances as may be prescribed, and an appellate authority or the authority to whom revision application is made may, remit the whole or any part of the interest payable in respect of any period.

162. Power to write off. — Subject to the approval of the Director and subject to such rules as the Government may make in this behalf, a Council may write off any tax, fee or other amount due to it which in its opinion is irrecoverable:

Provided that no amount shall be written off unless a resolution to that effect is passed by a majority of not less than three-fourths of the total number of Councillors:

Provided further that no approval of the Director need be obtained if the sum to be written off, not being a sum under a contract, is not more than one hundred rupees in any case.

163. Appointment of Recovery Officer. — (1) Notwithstanding any other mode of recovery provided by this Act, any arrears of any tax, or any amount due to the Council under a contract, agreement, lease, auction, security or indemnity bond or any other money due to the Council under this Act or the rules or bye-laws made thereunder, together with any sum on account of process fees, interest and other costs, shall be recoverable by the Recovery Officer to be appointed for the purpose by the Director:

Provided that no such Recovery Officer shall be appointed unless the Council by a resolution passed at a special meeting for that purpose, makes a written request to the Director.

(2) In case the arrears of all kinds due to a Council as on the 31st Day of December, are in excess of fifty per cent. of the total of such arrears as at the close of the previous financial year, the Director may, without reference to the Council, order appointment of a Recovery Officer.

(3) In either case, the expenses on the salary and allowances of the Recovery Officer and such other subordinate staff as the Director may appoint to assist the Recovery Officer shall be paid by the Council.

(4) The Recovery Officer so appointed shall have all the powers of a Revenue Officer under the corresponding law for the time being in force, but only for the purposes of recovery of municipal arrears recoverable under this Act as arrears of land revenue.

(c) the amount claimed from the appellant has been deposited by him in the municipal office.

The Council shall consider all objections to the said proposal made in writing and delivered at the municipal office within one month from the date of the publication of the notice under this sub-section before passing a resolution so to close the street permanently.

(3) In laying out, making, turning, diverting, widening, opening, extending or otherwise improving any public street, in addition to the land required for the carriage-way and foot-ways and drains thereof, the Council may acquire the land required for the construction of buildings to form the said street,

and subject to the provisions of section 88 may sell and dispose of such additional land in perpetuity or on lease for a term of years, with such stipulations as to the class and description of buildings to be erected thereon as it may think fit.

169. Powers to declare any street a public street, subject to objections by owners.— (1) The Council may, at any time, by notice fixed up in any street or part of a street which is not a public street, give intimation of its intention to declare the same to be a public street, and unless within one month next after such notice has been so put up, the owner, or if there are more than one owner, the owners of the greater portion of such street or of such part of a street lodges or lodge objections thereto at the municipal office, the Council may, by notice in writing put up in such street, or such part, declare the same to be a public street.

(2) If such owner or owners object to the proposal under sub-section (1), the Council may, after considering such objections and with the previous sanction of the Collector, declare such street to be a public street, and the owner or owners so objecting shall be entitled to compensation determined in the manner provided in section 315.

(3) Every such street which becomes a public street under this section shall vest in the Council.

170. Power to require repair, etc. of private streets and to declare them as public streets.— (1) Where a Council considers that in any street not being a public street, or in any part thereof, within the municipal area, it is necessary for the public health, convenience or safety that any work should be done for the levelling, paving, metalling, flagging, channelling, draining, lighting or cleaning thereof, the Council may by written notice require the respective owners of the lands or buildings fronting, adjoining, or abutting upon such street or part thereof, to carry out such work in a manner and within a time to be specified in such notice.

(2) After such work has been carried out by such owners, or as provided in section 313 by the Council at the expense of such owners, and if all land revenue payable to the Government in respect of the land comprised in such street or part thereof has been paid, by such owners, the Council may, and on the joint requisition of the owners of such street or of the greater portion of such street, shall, under the provisions of section 169 and in the manner prescribed in that section, declare such street to be a public street, and such street shall thereafter vest in the Council.

(3) If the notice under sub-section (1) is not complied with and such work is executed by the Council as provided in section 313, the expenses thereby incurred shall be apportioned by the Council between such owners in such manner as it may think fit, regard being had to the amount and value of any work already done by the owners or occupiers of any such lands or buildings.

171. Regular line of a public street.— (1) The Chief Officer shall, subject to the approval of the Council, prescribe a line on each side of every public street within the municipal area.

(2) The Chief Officer shall give a public notice of the proposal to prescribe such line for any street

The Council shall, before approving the line of the street, consider all objections or suggestions in respect of the said proposal made in writing and delivered at the municipal office within one month from the date of the publication of the notice under this sub-section.

(3) The line for the time being so prescribed shall be called «the regular line of the public street».

Provided that, if by reason of anything done under this section any person is deprived of the lawful use of any drains, the Council shall, as soon as may be, provide for his use some other drain as effectual as the one which has been discontinued, closed up or destroyed or the use of which has been prohibited.

197. Power to require sufficient drainage of houses.— (1) If any building or land be at any time undrained, or not drained to the satisfaction of the Chief Officer, the Chief Officer, subject to the control of the Council, may by written notice call upon the owner to construct or lay from such building or land a drain or pipe of such size and materials, at such level, and with such fall as he may think necessary for the drainage of such building or land into—

(b) there have been provided for and set up in such building and in the land appurtenant thereto, all such appliances and fittings as may be required by the bye-laws or if no bye-laws have been framed by the Council as may appear to the Chief Officer to be necessary for the purposes of gathering and receiving the drainage from, and conveying the same off, the said building and the said land, and of effectually flushing the drain of the said building and every fixture connected therewith.

(2) The drain to be constructed as aforesaid shall empty into a municipal drain, or into some place

199. Powers of owners and occupiers of buildings or lands to drain into municipal drains.— (1) The owner or occupier of any building or land within the municipal area shall be entitled to cause his drains to empty into a municipal drain:

Provided that he first obtains the written permission of the Chief Officer and complies with such conditions as the Chief Officer may, subject to the provisions of by-laws, if any, prescribe as to the mode in which and the superintendence under which the communications are to be made between drains not vested in the Council and drains which are so vested.

(2) An appeal shall lie to the Council against any order of the Chief Officer under sub-section (1), if made within fifteen days of the receipt of such order.

200. Right to carry drain through land or into drain belonging to other persons.— (1) If the owner or occupier of any building or land desires to connect the same with any municipal drain, by means of a drain to be constructed through any land, or to be connected with a drain, belonging to or occupied by or in the use of some other person, he may make a written application in that behalf to the Chief Officer.

(2) Subject to the control of the Council, the Chief Officer thereupon, after giving to such other person a reasonable opportunity of stating any objection to such application, may, if no objection is raised, or if any objection which is raised is in his opinion insufficient, by an order in writing authorise the applicant to carry his drain into, through, or under the said land, or into the said drain, as the case may be, in such manner and on such conditions as to the payment of rent or compensation, and as to the respective responsibilities of the parties for maintaining, repairing, flushing, cleaning and emptying the said drains as may appear to him to be adequate and equitable.

(3) Every such order shall be a sufficient authority to the person in whose favour it is made, or to any agent or other person employed by him for this purpose, after giving or tendering to the owner, occupier or user of the said land or drain the compensation or rent, if any, specified in the said order, and otherwise fulfilling as far as possible the conditions of the said order, and after giving to the said owner, occupier or user reasonable notice in writing, to enter upon the land specified in the said order with assistants and workmen at any time between sunrise and sunset and subject to the provisions of this Act, to do all such work as may be necessary—

(a) for the construction or connection of the drain, as may be authorised by the said order;

(c) pay compensation to any person who sustains damage by the execution of the said work.

201. Rights of owner of land through which drain is carried in regard to subsequent building thereon.— If the owner of any land into, through or under which a drain has been carried under the last preceding section, whilst such land was unbuilt upon, shall at any subsequent time desire to construct a building thereon, the Chief Officer, subject to the control of the Council, shall, if he sanctions the construction of such building, by written notice require the owner or occupier of the building or land, for the benefit of which such drain was constructed, to close, remove or divert the same, and to fill in, reinstate and make good the land in such manner as he may deem fit to be necessary, in order to admit of the construction or safe enjoyment of the proposed building.

202. Provision of privies, etc.— (1) Where the Chief Officer is of opinion that any privy or cesspool, or additional privies or cesspools, should be provided in or on any building or land, or in any municipal area in which a water closet system has been introduced, that water closet or additional water-closets should be provided in or on any building or land, or that water-closets should be substituted for the existing privies in such number as may be considered necessary by him, the Chief Officer, subject to the control of the Council, may by written notice call upon the owner of such building or land, to provide such privies, cesspools or water-closets or to substitute water-closets for the existing privies at such sites as he may deem proper.

(3) The Chief Officer, subject to the control of the Council, may by written notice require the owner or occupier of any land upon which there is a privy or water-closet, to have such privy or water-closet shut out, by a sufficient roof and a wall or fence, from the view of persons passing by or resident in the neighbourhood, or to alter as he may direct any privy door or water-closet door or trap door which opens on to any street, and which he deems to be a nuisance.

203. Power to require owners to keep drains, etc., in proper order; or to demolish or close a privy or

cesspool. — (1) All drains, privies, water-closets, house-gullies, gutters and cesspools and drainage works of every description within a municipal area shall, unless constructed at the cost of the Council, be altered, repaired and kept in proper order at the cost and charge of the owners of the lands or buildings to which they belong, or for the use of which they have been constructed or continued; and the Chief Officer, subject to the control of the Council, may by written notice require any such owner to alter, repair, and put the same in good order in such manner as he may think fit.

(2) It shall be the duty of every such owner of land or building to get such drains, privies, water-closets, house-gullies, gutters and cesspools cleansed either by the municipal agency or such other agency as the Chief Officer may approve and at such intervals as the Chief Officer may require.

(3) Subject to the control of the Council, the Chief Officer may by written notice require the owner to demolish or close any privy or cesspool, whether constructed before or after the appointed day, which in the opinion of the Chief Officer is a nuisance, or is so constructed as to be inaccessible for the purpose of scavenging or incapable of being properly cleaned or kept in good order.

204. Power to close private drains and cesspools. — When any building or land within municipal area has a drain communicating with any cesspool or a municipal drain or any other place set apart for the discharge of drainage, the Chief Officer, if he considers that such drain, though it may be sufficient for the drainage of such building or land and though it may be otherwise unobjectionable, is not adapted to the general drainage of the locality, may, subject to the control of the Council, close such drain and such cesspool, or municipal drain, whether they are or are not on land vested in the Council, on providing a drain or drains or cesspool equally effectual for the drainage of such building or land, and the Chief Officer may, subject as aforesaid, do any work necessary for the purpose.

(2) The expense of such inspection and of causing the ground or the structure to be closed or repaired and made good as before shall be borne by the Council, unless the drain, privy, water-closet, house-gully, gutter or cesspool is found to be in bad order or condition, or was constructed in contravention of the provisions of any enactment or of any bye-laws or orders thereunder in force at the time or issued in respect of such construction; in which case such expense shall be paid by the owner of such drain, privy, water-closet, house-gully, gutter or cesspool, and shall be recoverable in the same manner as an amount due on account of a property tax.

(1) The Council may, if it thinks fit, cause any work, the execution of which may be ordered by or on behalf of the Council under any of the foregoing provisions of this Chapter, to be executed by municipal or other agency under its own orders, without first of all giving the person by whom the same would otherwise have to be executed the option of doing the same.

(2) The expenses of any work so done shall be paid by the person aforesaid, unless the Council shall, by a general or special order or resolution, sanction the execution of such work at the charge of the municipal fund.

209. Pipes, etc. constructed by Council to be municipal property. — Any pipes, fittings, receptacles, or other appliances for or connected with the drainage of any private building or land shall, if supplied, constructed or erected at the expense of the Council, be deemed to be municipal property, unless the Council shall have transferred its interest therein to the owner of such building or land.

If the Government comes to the conclusion that it is in the interest of municipal administration to extend the term of office of the Municipal Administrator, the Government may do so from time to time, provided that in no case shall the term be so extended as to exceed three years.

(3) If, in the opinion of the Government, even after the period of three years of administration by the Municipal Administrator the grounds on which the Municipal Administrator was appointed still exist, the Government may by an order published in the Official Gazette dissolve the Council.

(4) In cases where the Municipal Administrator was appointed for reasons set forth in clause (a), (b) or (c) of sub-section (1) of section 298 and if his term or extended term of office is to expire after the term of the existing Council is due to expire or

(3) All rules made under this Act shall be subject to the condition of previous publication, for fifteen days.

(4) Every rule made under this Act shall be laid as soon as may be after it is made before the Legislature of the Union territory while it is in session for a total period of thirty days which may be comprised in one session or in two successive sessions, and if, before the expiry of the session in which it is so laid or the session immediately following, the Legislature agree in making any modification in the rule or the Legislature agree that the rule should not be made, and notify such decision in the Official Gazette, the rule shall from the date of publication of such notification have effect only in such modified form or be of no effect, as the case may be; so however that any such modification or annulment shall be without prejudice to the validity of anything previously done or omitted to be done under that rule.

307. Power of Councils to make bye-laws.—(1) The power to make all bye-laws under this Act shall be exercisable by each Council, subject to the previous sanction of the Director or the Government as hereinafter provided.

(2) Without prejudice to any power to make bye-laws contained elsewhere in this Act, a Council may make bye-laws consistent with this Act and the rules made thereunder for the administration of its affairs and for the guidance of its Committees, officers and servants.

(3) (a) The Council, whenever it desires to make bye-laws under this Act, shall by a resolution at a special meeting approve a draft of such bye-laws.

(b) The Council shall put up the draft on its notice board and publish it in a local newspaper, as soon as may be possible, after such resolution is passed, inviting the inhabitants to submit their objections and suggestions to the Council within a reasonable period to be specified in such notice.

(c) The Council at a special meeting shall then consider the objections and suggestions received, if any, and shall by a resolution approve the final draft of the bye-laws.

(d) Within seven days of the passing of such resolution, the Council shall send such final draft to the Director.

(e) The Director shall examine the final draft of the bye-laws sent to him under clause (d) and may—

(f) Notwithstanding anything contained in clause (e), if the bye-laws sent by any Council under clause (d) relate to imposition, abolition, remission, alteration or regulation of any tax, the Director shall forward them to the Government for sanction and thereupon the provisions of clause (e) shall apply as if for the word «Director» in the said clause the word «Government» had been substituted.

(4) If it appears to the Government that an amendment of any of the bye-laws of a Council is necessary or desirable in the interests of the general public or because they are inconsistent with any provisions of this Act or the rules made thereunder, the Government may, after consulting the Council, by notification in the Official Gazette, amend or cancel any of the bye-laws, and on the issue of such notification the bye-laws shall be deemed to have been duly amended or cancelled, as the case may be, accordingly, without prejudice to the validity of anything previously done or omitted to be done.

308. Power to make and enforce acceptance of model bye-laws.—(1) The Government may make model bye-laws on all or any of the matters in respect of which a Council is empowered to make bye-laws and publish them in the Official Gazette for the guidance of the Council.

(2) If a Council has not already made bye-laws on a matter for which model bye-laws are made by the Go-

vernment, the Council may adopt the model bye-laws with such minimum changes as the peculiar local circumstances may warrant.

(3) If at any time it appears to the Director that the bye-laws made by a Council on any matters are inadequate to regulate such matters, and model bye-laws have been made by the Government for such matters, the Director may by an order in this behalf require the Council to adopt such model bye-laws modified to suit local conditions.

(4) The Council shall comply with orders of the Director under sub-section (3) above within two months of the date of such order.

(5) If the Council fails to comply with the orders of the Director, the Director may, by notification in the Official Gazette, apply such model bye-laws with such modification to suit local conditions as he thinks necessary to that Council in supersession of any bye-laws which the Council may have made already on those matters. In that event, the model bye-laws so applied shall be deemed to have been duly made by the Council.

(6) If the model bye-laws made by the Government relate to the imposition, abolition, remission, alteration or regulation of any tax, the provision of sub-sections (3), (4) and (5) shall apply as if for the word «Director» therein the word «Government» had been substituted.

309.
